

Virgin Active Solihull marked 10 years on Blythe Valley Park by holding a celebration for its members.

The leading health and fitness club held a barbeque and fun day next to its heated outdoor pool, followed by a black tie event for members who have been using the club since it opened in 2001.

General manager Ewan Gray said the club was delighted to celebrate the occasion with some familiar faces.

“It was really nice to celebrate Virgin Active Solihull’s 10 year anniversary with our members and their families,” he said.

“There was a great atmosphere at the club throughout the day and everyone who came along seemed to have fun helping us mark the occasion.”

Kate Smith, of Liberty Property Trust, which develops and manages Blythe Valley Park in partnership with Doughty Hanson & Co Real Estate, added: “Virgin Active boasts some of the best health and fitness facilities in the area.

“We are delighted to have them with us at Blythe Valley Park and wish them a happy anniversary.”
